

Introducing StarVac™ ArthroWand®

Achieving Results: Rapid Ablation and Classic Design

StarVac 90 ArthroWand Tip

StarVac 90 ArthroWand Screen

The StarVac 90 ArthroWand with Integrated Cable is the newest 90° suction Wand offered by ArthroCare® Sports Medicine. The innovative screen design combines aggressive ablation speed with powerful suction. The classic 90° Wand tip profile is optimized for easy access and precise ablation and hemostasis.

- Innovative single aperture, star screen design enhances suction flow
- Fast, accurate ablation for efficient procedures
- Same classic size, shape, and profile as best-selling Super TurboVac® 90
- Available with enhanced COAG mode for improved hemostasis when used with the Quantum™ Controller platform

Suggested Indications:

- Subacromial Decompression
- ACL Debridement
- Bursectomy
- Synovectomy
